- Typical Lifespan of **50+ years**
- Naturally resistant to fire, rot, insects, and harsh weather
- Excellent thermal insulation to help keep your home cooler
- Minimal maintenance over the life of the roof
- Wide selection of profiles, colors, and architectural styles

METAL ROOFING

Metal roofing offers unmatched strength and efficiency for homeowners looking for a modern, long-lasting solution.

- Typical Lifespan of **40–70 years**
- Exceptional resistance to wind, rain, and hail
- Reflective coatings help lower cooling costs
- Environmentally friendly and recyclable materials
- Available in styles that complement traditional and modern homes

SHINGLE ROOFING

Shingle roofing remains a reliable and budget-friendly option for many homeowners.

- Typical lifespan of **20–30 years**
- Durable asphalt shingles built for harsh weather
- Variety of colors and styles
- Fire-resistant and easy to maintain
- Faster installation and straightforward repairs
